FIRE CHIEF GERALD D. BROWNE, Albany (left) accepting award from H. Ladd Plumley, President, Chamber of Commerce of the United States at the Statler Hotel, Washington, D.C. Albany won this Fire Safety Award for outstanding achievement in the year round program to reduce the loss of life and property by fire for cities in the United States, population under 20,000.

BACK AT HIS DESK, after a well deserved vacation in Hawaii, is Frank Andronica, the man behind the miracle of markets—Park and Shop.

Inspection Statement By Browne

The Times:
Many inquiries are being made at the Fire Department regarding inspections that have been made at the various school buildings in the City of Albany. One outstanding question pertains to the severity of the inspections and regarding the extensiveness of non-conforming conditions.

In answer to these questions I am submitting the following in an attempt to clarify the position of the Fire Department regarding school inspections.

Under the provisions of Section 13143 and 13146 of the Health and Safety Code, State of California, a survey relative to Fire and Life Safety was made in all Albany school facilities in the City of Albany, prior to November, 1961.

A specialist regarding safety in public buildings, and his assistant, assisted the Albany Fire Department in making a thorough survey without any additional cost to Albany citizens.

As a result of this survey, it was revealed, that, certain conditions existing in the Buildings of the Albany School District, did present hazards to occupants and did not conform to present day standards.

The itemized result of these inspections were forwarded to the Board of Education through the Office of the Superintendent of Albany Schools. A copy is retained at the fire station and may be examined through appointment with the Officer in charge.

Following the severity of many school fires prior to 1961 throughout the nation the entire fire service anxiously turned to a rigid inspection of the school buildings under their jurisdiction. The extensiveness of these inspections were probably accelerated by the appalling loss of lives in the "Lady of Angels" school fire in Chicago.

Respectfully submitted,
Gerald D. Browne

AHTA Members Vote For Stand On Bond Issue

A representative group from the Albany Homeowners and Taxpayers Association met at the Gaeta Realty Co. Thursday, May 9, at 2:30 p.m., to open the sealed ballots representing the membership opinion on the upcoming School Bond Election.

Of the 74 ballots sent out by certified mail, 60 were mailed back. Opened by Flora Muscio and tallied by Dorothy McCain, the results showed 51 opposed to the issue and 9 in favor.

The individual ballots read: "I vote that the AHTA shall take the following position on the School Bond Issue" followed by space to mark support or opposition. It is presumed the organization will take the position on the issue directed by majority vote.

Atlas Kirby Co., Albany I HAVE TO ASK MY HUSBAND! !

Altho most of our sales of the amazing new KIRBY SANTRONIC are made to the woman alone. We still have a few women who tell our mild, timid salesmen that they have to ask their husband if it is OK for them to buy a piece of equipment that will cut their work in half and at the same time protect the hundreds of dollars worth of rugs, furniture, etc., that their husbands are working forty hours a week to pay for.

Naturally, when a woman tells us this, we assume that the husband does the housework, so for this week only we are proclaiming an "Ask Your Husband Week." Just dial LA 4-3015 and we will be more than happy to come out and show your Husband how much easier he can do his house work with a new SANTRONIC BY KIRBY.

Building for the Future

Albany has an enviable record of community support for its schools. No school bond election in this city has ever failed; when need has arisen citizens answered with unselfish generosity.

The first school bond issue in the City of Albany was in 1908 and resulted in the building of Ocean View Grammar School (Cornell) on Main Street (Solano Avenue). The issue amounted to \$22,000.

Two bond issues one in 1947 and another two years later, passed with more than 80 per cent majority of the voters and financed the Albany High School gymnasium, the swimming pool, Vista and MacGregor Schools, the administration building, the Cornell addition, two rooms at Marin school and the Marin and high school cafeterias.

Albany is called upon once more to invest in schools. Voters will go to the polls on Tuesday, May 28, to vote on a proposed school bond issue to replace four worn out buildings at the high

school with two modern structures and to update the entire educational plant.

Education is an investment. The interest it pays is future security, for no one questions the purely materialistic view of good education paying off with increased earnings. The U. S. Census Bureau reports families headed by college graduates averaged \$9,300 in 1961, \$6,300 for families headed by high school graduates compared with \$4,800 for elementary school graduates, and \$3,300 for persons who did not finish elementary school.

A highly mechanized and scientific era demand skills to pace progress. Schools fulfill the function of searching out and developing individual aptitudes to meet the challenge of the increasing technical program of world development.

Albany is asked to build for the future in this bond issue. Never has Albany turned her back on her obligation of providing good schools. Walk proudly to the polls.

School Bond Issue

A Good Investment

By CHARLES M. SHAW

At intervals each one of us must make a decision which evaluates our individual personality and its relationship to our community. This decision takes place when we vote on the various issues at each election. Normally it is possible to weigh the personalities of the individuals running for office or those supporting or opposing a given project. However, there are some programs on which we are asked to vote where personalities are not a factor and which, when decided, reveal our individual personalities and the extent to which we are willing to build a community which will sustain itself for the generation yet to come. The issues which face us in the coming school bond election fall into this latter category.

I will try to explain why I plan to vote "Yes" at the coming election:

C of C Endorses School Bonds

In the interest of continued civic improvement the Board of Directors of the Albany Chamber of Commerce endorsed the School Bond Issue to be voted on May 28 and the proposed plans for new Civic Buildings. "The action was taken at the regular monthly meeting held May 7," Ken Murdoch, Albany Chamber of Commerce Manager announced.

The Board also endorsed the passage of Assembly Bill 1722 as a means of providing financial assistance for the education of children residing on University property in this community. Letters were sent to local district assemblymen informing them of the Chamber's action and urging passage of this Bill. Jerome Blank and Thomas Gabriele were elected to the Board of Directors to fill vacancies.

I. In any business organization it is necessary at intervals to invest money in capital equipment in order to maintain an organization which is able to meet the current and foreseeable needs. The investment which the people of Albany have in their school system represents the major capital equipment investment owned by the city. It is apparent that the capital needs at Albany High School are not adequate for our present school children and less so for those who are yet to come. The facilities which must be provided will improve the educational opportunities of the students planning to attend college as well as those who are not. In my judgment, the investment in capital facilities should be made at this time. Any further delays will only raise the cost and further detract from the educational experience of Albany students.

II. I recently traveled from St. Louis to Detroit with a professor of education at the University of Michigan as my flying companion. During this trip, he discussed a project which he was just completing for the school board in St. Louis. This project

ALBANY HIGH SCHOOL STUDENTS AIR VIEWS ON DRIVING TO COUNCIL

A representative group from Albany High School were present at the Albany City Council meeting Monday night, May 13, to express their opinion on Assembly Bill 91 amending the teen-age driving age from sixteen to eighteen.

The Bill, opposed by Vice-mayor Lewis Howell, was tabled for Council opinion for one week to enable Council members to

study and evaluate it. Before final action, students were asked to speak.

Richard Clopton, 1705 Ramona said: "The Bill would punish good drivers who need to work." He suggested that in place of the Bill driving requirements should be made stricter, penalties more severe.

Eugene Frank, 1255 Washington, felt that the Bill was "unfair—mistreats those who do not misuse the privilege. Stricter laws should be enforced."

Stanley Heeb, another Albany High School student, stated that in his opinion the amendment was just. The sixteen-year old is lacking in enough experience, he said, and added that driving tests should be stricter. The 70% scoring should be raised and "ten minutes" too short to judge driving ability.

Council voted unanimously to oppose the Bill and authorized City Attorney Larry D. Sailer to draw up a Resolution to be sent to district legislators in Sacramento.

Following a communication from Mrs. Kathie Zahn, Council announced that July 8 through 12 will be Albany clean-up week under normal procedures as in the past.

The recommendation of employment of two police officers, Robert Lamp and George Phillips, by Chief of Police Ralph Jensen was accepted and the necessary Resolutions ordered.

A colorful presentation by the Lions Club of Albany of a bronze plaque to the Albany Fire Department for outstanding service to the Community preceded the meeting. Lion President Jim Tamura made the presentation to Fire Chief Gerald Browne and Captain Richard McSheehy. Chief Browne, who has recently returned from Washington, D.C. where he accepted a national award for Albany's program of fire safety, credited the success of the fire program to "unity." "If the rest of the city strived toward this same unity," he said,

Proclamation

WHEREAS, The East Bay Municipal Utility District has faithfully served the people of the East Bay for 40 years; and

WHEREAS, there has never been a shortage of pure sparkling water in the 13 cities and unincorporated areas of Alameda and Contra Costa Counties served by East Bay Water since the district came into existence; and

WHEREAS, East Bay Water is continuing to demonstrate its dedication of purpose by carrying out an approved Water Development Program which will assure us of a continuing plentiful supply well into the future; and

WHEREAS, the quality and quantity of water served by East Bay Water is of the utmost importance to the continuing welfare of the residential, industrial, commercial and civic community.

NOW, THEREFORE, BE IT RESOLVED, that the week of May 19 be proclaimed EAST BAY WATER WEEK, in honor of 40 years of continuing service by our water district; and

BE IT FURTHER RESOLVED, that copies of this resolution be forwarded to the press of the East Bay for publication so that residents of our cities and counties may be aware of the 40th anniversary of East Bay Water. Adopted by the City Council of the City of Albany this 13th day of May, 1963.

Kensington School Students Present Annual Spring Concert

The Kensington Elementary School students from the fourth, fifth and sixth grades will present their third Spring Concert on Wednesday, May 29 at 7:30 p.m. at the school auditorium.

Participating are the Kensington Chorus under the direction of Mrs. Edwin Rule and the Kensington Concert Band conducted by Mrs. Louise LeCam. These two groups have been continuously under the same fine instructors since their organization in the fall of 1960.

The Kensington Chorus, sponsored by the Kensington PTA, has grown to a group of one hundred voices. They meet at least twice weekly before school

in the morning. They will present a varied program with a group of patriotic songs in recognition of Memorial Day. Also of interest will be a group of Brazilian folk tunes with rhythm instruments accompanying.

The Kensington Concert Band, sponsored by the Kensington Community Council and assisted by the Kensington PTA, will give the second half of the program. This group consists of the combined Concert, Junior and Beginning Bands with eighty-five members. The Band program will include special solos and ensemble numbers and will conclude the evening the Souza's stirring "Stars and Stripes Forever." This concert will be a joint presentation of the Kensington PTA and the Kensington Community Council for the community, parents and friends.

Vision Testing For Pre-School

The need for pre-kindergarten vision testing before entering elementary school sparked the project for Albany Pre-School Mothers of an eye clinic for their pre-school children.

Mrs. Leslie Hanelt, Public Health Nurse, will be in charge of the testing. Mr. William Simmons and Mr. Jack Nelson, from the State Department of Public Health have assisted in organizing the clinic.

The clinic will be held on Saturday morning from 10:00 a.m. to

12:00 noon, May 18, at the Albany Pre-School. This clinic will be held for the children currently attending the school, but a clinic for all pre-schoolers in the area is scheduled for early fall.

involved the determination of the influence of school environment on the classroom success as well as the attitudes of the children toward schooling as influenced by their school environment. Although the project was barely completed he indicated that the results definitely showed that children who attended schools which were in a run-down condition had a poorer attitude towards education in general and did not show as high a classroom success when compared with the same ability level children attending recently built modern schools.

Safety Question

By STANLEY WILKINS

April 25, 1962, Mr. Forry told the Citizens Advisory Committee, "State Fire Marshal's studies indicate deficiencies in most all Albany School buildings with respect to Fire and Panic Safety." This statement is item 2 in a letter titled "On The Problem." Mr. Forry and Mr. Pinkham were requested to furnish the Citizens Advisory Committee with copy of the State Fire Marshal's Studies in this matter. No such report was ever given the committee to study and for the reason that no such report ever existed, except in someone's imagination. Two members of the Committee contacted the State Fire Marshal's office and were told no inspection of Albany schools had been made; thus no report was written. Chapter 1 of Part 2 of Division 12 of the Health and Safety Codes of the State of California state:

Section 13146—Title, Division of Authority

(a) The chief of any city or county fire department or fire protection district and their authorized representatives SHALL enforce the rules and regulations in

their respective districts.

(b) The State Fire Marshal shall have authority to enforce the rules and regulations in areas OUTSIDE of corporate cities and county fire protection districts.

(c) The State Fire Marshal shall have authority to enforce the rules and regulations in corporate cities and county fire protection districts upon request of the fire chief or governing body. Section 13146.3 is titled, INSPECTION OF SCHOOLS

The chief of any city or county fire department or fire protection district and his authorized representatives may, and in counties with a population over 220,000, SHALL inspect every building used as a public or private school within his jurisdiction for the purpose of enforcing such rules and regulations, not less than once each year. The State Fire Marshal and his authorized representatives SHALL make such inspections not less than once each year in area OUTSIDE corporate cities and fire prevention districts.

Need there be any more facts than section 13146.3 reveals, to refute Mr. Forry's assertion of a State Fire Marshal's inspection studies?

Chief Browne and Captain McSheehy however did inspect all Albany public school buildings as section 13146.3 shows it their duty to do and what their report showed as to fire and panic safety violations under Title 19, does no credit at all to the Superintendent of Schools and the School Board for permitting children and teachers use of the Marin, Cornell and Main High School buildings, where as Browne and McSheehy state, conditions exist which are hazardous and dangerous to the life of occupants of those buildings.

This damning indictment lies in the fact that during Mr. Forry's six years as school superintendent and for more years

during which certain persons have been members of the school board, the same outstanding hazardous violations found during the November 28, 1961 inspection by Chief Browne and Cap-

tain McSheehy have existed down the years.

The board, so Mr. Forry told the Citizens Advisory Committee did not have money to correct dangerous violations and to pro-

vide safety for school children, which Mr. Pinkham and Forry and others of the Administrative staff so often during meetings of the Citizens Advisory Committee professed as their MORAL obliga-

tion to provide, but during past years they have asked for tax revision, upwards, as in 1961 amounting to twenty-five cents per one hundred of property tax valuation, and they have given

salary increases to teachers and administrative staff.

Why any board and its administrative staff who have neglected SAFETY and that includes both fire and panic safety, for

children and teachers, as been done for years, in the feels it should be given a dollars or more to spend program at Albany High beyond understanding.

American Legion Tryouts
The first tryouts for the Albany American Legion Post 292

baseball team will be held on Saturday, May 18 and Saturday, May 25, 1963 at Memorial Field in Albany, starting at 9:30 a.m. Both Albany High School and St. Mary's High School boys

are eligible. Age limits are as follows: "The player must attain his 16th birthday prior to September 1, 1963. He cannot attain his 19th birthday prior to September 1, 1963."

'Maid' Contest Scheduled At Albany Theatre

Looking for some good home town entertainment? Then circle May 23 on your calendar. That's the day set aside for the Maid of Albany contest.

The contest is sponsored annually by the Albany Junior Chamber of Commerce with the help of contributions from the local merchants. So far the donations include: A \$50 bond by the Albany Chamber of Commerce and a modeling course by Patricia Stevens Finishing and Career Schools. American Florists of 900 San Pablo Ave. is the official pageant florist.

Master of ceremonies for the gala event will be Jim Dempsey, columnist for the Berkeley Gazette. Judges include: Mayor Joseph Egenberger, Chief of Police Ralph Jensen, Dorothy Larimer, a representative from Patricia Stevens, and Jim Williams.

Take it from a bachelor that

knows, say Pageant Chairman Jay C. Kennedy, the girls are real dolls just bubbling with personality. If you want to see the fair damsels that enhance and represent our community make sure you're at the Albany Theatre Thursday night, May 23. Incidentally, if you're married, it's advisable that you bring your wife as a chaperon.

Wine-Tasting Fund Raiser For AHTA

The Albany Homeowners and Taxpayers Association's first fund raising event will be a wine-tasting party to be held Sunday, May 19, 1963 at the home of Mr. and Mrs. Michael Fahmie, 827 Talbot Avenue, from 2:00 to 5:00 p.m.

Refreshments, and doorprizes are being furnished by the following local merchants: Key Foods, 747 San Pablo Ave.; Blue Chip Stamp Co., Richmond; Corey's Hardware; Discounts Unlimited; Sam's Pharmacy; California Bowlers; Call Bros. Jewelers; Cortese Pharmacy; Hickory Pit; Josef's; Lexicon House of Maple; Albany Beauty Academy; Lou's Chevron Station; Albany Theater; Clem's Cleaners and Serb's Restaurant, and many others.

Prizes will be on display this week at Call Bros. Jewelers, 823 San Pablo Ave., tickets may be purchased from Association members or at Call Bros. Jewelers. Tickets will also be available at the door.

Weather-permitting the party will be held in the patio; in case of rain the party will take place in the newly remodeled rumpus room of the Fahmie's.

Timothy Still To Receive Ad Altare Dei

Timothy Still, 14, a member of Boy Scout Troop 12 of Albany, will receive the Ad Altare Dei award at 2 p.m., Sunday, from Bishop Floyd L. Begin in St. Francis de Sales Cathedral, Oakland.

The award is presented to Catholic Scouts in recognition of church service. Timothy has been an altar boy at St. Jerome's church in El Cerrito and has also assisted in other ways. He holds the rank of Life Scout.

Timothy is the son of Mr. and Mrs. Stephen Still, 601 Carmel Ave., Albany.

save

One of the hardest things for a family to do is save. If you know, savers ask them how they do it. First, you should be systematic. Also you should not necessarily try to start with a big initial deposit. At Mechanics you can start an account with as little as a dollar and then work up. And when you do . . . be systematic.
